Amendments to the Specification:

1) page 11, last paragraph, page 12, first paragraph, please replace this text with the following amended text:

Fig. 1a through 1c show the application of the packed and the unpacking mask where the unpacking features provided in the unpacking mask align with the padding holes in the packed mask.
~~unpacking features and referring~~

Referring now specifically to Figs. 1a through 1c, there is shown:

- 10, Fig. 1a, a top view of the packed mask
- 12, Fig. 1b, a top view of the unpacking mask
- 14, Fig. 1c, a top view of the final image
- 16, a top view of padding holes contained in the packed mask
10
- 17, a top view of desired holes contained in the packed mask
10
- 18, a top view of the unpacking features contained in the unpacking mask 12; it must be noted that the unpacking features 18 in unpacking mask 12 are in the same relative positions
